

NOTICE

Please note that due to increased security concerns at Camp Roberts, personnel bringing a personal weapon onto Post are required to register their weapons with the Provost Marshal upon entry to the installation. Anglers are requested to leave their firearms at home.

Storing weapons in an automobile or carrying a concealed weapon is strictly prohibited on Camp Roberts.

No weapon will be transported on Camp Roberts with a round loaded in the chamber or with a loaded magazine or clip affixed into the weapon load chamber. Handguns will not be concealed in glove compartments, under seats, or in any other way. Weapons will not be left unattended in vehicles. Authorized handguns (pistols and revolvers), shotguns, rifles, or bow and arrows will be transported in the trunk of the automobile to the ranges or hunting sites. In those instances where a vehicle does not have a trunk, or storage space adequate to accommodate firearms, the weapons will be carried in the vehicle in such a manner that makes them readily observable by enforcement personnel.
